

56-core optical fiber cable bundle

Our high quality fiber optic bundles can be made with any fiber and your choice of several configuration and construction possibilities. In addition, a number of connectors, including all standard ...

Choose from our selection of multimode fibers, including fiber-optic cords, illuminating glass fiber bundles, and more. Same and Next Day Delivery.

Discover a vast selection of single mode and multimode fiber optic cables, as well as bundled fiber optic cables, with customizable options for length, connectors, and jacketing.

FiberTech Optica delivers fiber optic bundles to meet almost any requirement. With virtually no limit on the number of fibers, all of our fiber optic bundles can be configured as spot, line, grid, hex, or ...

Our high-quality fiber optic bundles can be made with any fiber and your choice of several configuration possibilities. A number of connectors, including all standard connectors - or custom ferrules, ...

Our assemblies are composed of multiple optical fibers, providing enhanced flexibility, cost-effectiveness, and custom mapping options for a wide range of applications.

2-D fiber optic bundle, or fiber bundle optics, such as the linear fiber bundle, uses flat-bottom groove and lid to stack multiple fibers tightly together in a rectangular or circle arrangement. In bundled fibers, ...

This comprehensive technical guide delves deep into the construction, types, applications, and advanced manufacturing processes of fiber optic bundles, showcasing why FSI stands out as a ...

End cap diameters and lengths are offered for select numerical apertures and fiber cores size but can be easily customized for a variety of fiber types and specialized applications. For the full range of design ...

Our stock fiber optic bundles are terminated with SMA905 connectors and are offered with high OH fiber, low OH fiber, and our mid-IR fluoride optical fiber (for 285 nm - 4.5 μ m).
