

72-core optical cable in conduit

This plenum distribution fiber cable is used in trunking, LAN and distribution applications where small size, lightweight, and versatile installation capability are required for ducts, plenums, and air handling ...

This indoor/outdoor cable has a water blocking aramid yarn strength member surrounding the fiber optic strands and a UV resistant outer jacket making it a very versatile and perfect choice for a large ...

Loose Tube cables provide versatile performance for aerial lashed, duct, and direct buried installations. This cable features gel-filled buffer tubes for superior water-blocking.

72 Core GYTY53 fiber optic cable is used for direct buried underground, it suit for long distance and LAN fiber communications, we supply both the single mode GYTY53 cable and multimode GYTY53 cables.

Our Pre-Terminated Fiber Optic Cable Assemblies, featuring an Indoor/Outdoor Plenum Rated Interlocking Armored Jacket, offer a cost-effective solution for applications requiring innerduct or ...

Providing up to 216 fibers in a compact design, the enhanced coupling features ensure the ribbon stack and cable act as one unit, providing long-term reliability in aerial, duct and direct-buried applications.

Helically stranded core for greater flexibility and mechanical protection of the optical fibers Can be armored for additional protection in direct burial and aerial installations

The armored and all-dielectric designs are suitable for direct buried, aerial and conduit applications. The construction features the use of dry water blocking elements and reduced diameter buffer tubes, ...

Our Pre-Terminated Fiber Optic Cable Assemblies, featuring an Indoor/Outdoor Plenum Rated Interlocking Armored Jacket, offer a cost-effective solution for ...

Outdoor dry core optical fiber Multi Loose Tube cable with aramid yarns as strength member and polyethylene outer jacket. Existing out of 6 tubes with a diameter of 1.9mm with 72 fibers (6t x 12f) ...

The 72 Fiber Singlemode Ultra-Fox Indoor/Outdoor Plenum Yellow Jacket - 1000 FT is used in trunking, LAN, and distribution applications where small size, lightweight, and versatile installation capability ...
