

After-sales service for NRZ active optical modules

The QSFP DD AOCs operate up to 25Gb/s NRZ modulation and provide solutions up to 200Gb/s aggregate bandwidth, supporting 100meters over parallel multimode fiber.

This section describes how to install and remove optical transceivers and cables. An ESD-preventive wrist or ankle strap should be used before installing or removing transceivers and cables to protect ...

These products feature four channels of 25G NRZ electrical signals and four channels of 25G NRZ optical signals, with a transmission distance of up to 100m over OM3 MMF.

This solution can be deployed with a single active optical cable (AOC) with integrated QSFP28 and SFP28 transceivers or by a passive fiber breakout cable/multiplexer.

If you already own an FS 100G optical transceiver module, it comes with the same 5-year warranty as top brands, along with a 30-day return and exchange policy, ensuring you the most reliable after ...

Explore the classification of optical modules based on transmission rate, package type, mode, central wavelength, and color. Learn about common causes of optical module failure and protective measures.

It shows what goes into today's 100G QSFP28 pluggable optical modules. Notice that they are inherently four-channel devices, both in the optical interface facing right, and the electrical ...

Explore the classification of optical modules based on transmission rate, package ...

Over the past years, we have made huge investments in our production, logistics and service processes. We have built a modern warehouse ...

Our active optical cable assembly portfolio provides greater cable flexibility and longer reach, as compared to both traditional passive copper solutions and emerging active copper (ACC/AEC) ...

The Marvell Porrima PAM4 DSP is a next generation solution for cloud data center, high-performance computing, and AI optical transceivers. Porrima supports multiple industry standard protocols up to ...

In an increasingly competitive market, comprehensive after-sales service is an indispensable part of sales work. It aims to ensure customers receive timely and professional support ...
