

Fiber optic patch cord electric crimping machine

FCCM-3000A Crimping machine is used for assembling fiber optic connectors / ceramic ferrules and fiber optic adapters. Pressure of the machine is adjustable, and it is available for different ...

It is easier to operate than the old one, and the debugging is fast. ...

Key Features: 1. Designed for fiber connector crimping and assembly 2. Precision Hex size for Crimp 3. Applicable to SC/FC/E2000/MU/LC connectors 4. Provide optional MPO crimp die

Our manufacturing solutions are designed for businesses looking to mass-produce fiber optic patch cables, pigtails, and splitters with factory-grade consistency.

It is easier to operate than the old one, and the debugging is fast. The output can be up to 5K wire harness terminal/good, using CNC debugging parameters, LCD screen.

Our precision cable assembly test systems deliver unmatched speed and accuracy for optical components and fiber jumpers, serving global manufacturers in telecom, data centers, and optical ...

1. This machine is used for crimping aluminum ring during the manufacture of optical fiber patch cord. The work is done by one shot, steady and not easy to loose. 2. ...

FCCM-3000A Crimping machine is used for assembling fiber optic connectors / ...

Fiber-Life supplies Fiber Patchcord Manufacturing Equipment for worldwide fiber patch cable assembly facilities, including Fiber Cable Cutting Machine, Fiber Heat Oven, Fiber Polishing Machine, Fiber ...

1. This machine is used for crimping aluminum ring during the manufacture of optical fiber patch cord. The work is done by one shot, steady and not easy to loose. 2. The booster cylinder's max pressure ...

Find reliable fiber optic crimping machines for efficient patch cord production. Shop our durable, low-noise, and semi-automatic models for best results.

FCCM-3000A Crimping machine is used for assembling fiber optic connectors / ceramic ferrules and fiber optic adapters. Pressure of the machine is adjustable, and it is available for different kinds of fiber ...

Key Features: 1. Designed for fiber connector crimping and assembly 2. Precision Hex size for Crimp 3. Applicable to SC/FC/E2000/MU/LC connectors 4. Provide ...

Fiber optic patch cord electric crimping machine

FCCM-5000A Crimping machine is used for assembling fiber optic connectors / ceramic ferrules and fiber optic adapters. Pressure of the machin is adjustable, and it is available for different kinds of fiber ...
