

Industrial switch with 4 ports

Power terminal is removable with numbered pins for easy wiring. Power consumption is optimised based on the status of the link device. No software required. Ideal for factory floor, in vehicle and marine ...

Featuring four auto-sensing 10/100/1000 Mbps RJ45 Gigabit Ethernet ports, this unmanaged switch offers plenty of performance for the devices in your network. Two small form-factor pluggable (SFP) ...

Industrial unmanaged switches from Phoenix Contact feature variable numbers of ports and a narrow design. We provide unmanaged switches with a variety of functions, depending on the application.

The industrial Fiber Switch can easily expand your network in a number of ways and be used in the field of security surveillance. Simply connect it to a WiFi device, such as a router or range extender, and ...

AXIS T8504-R Industrial PoE Switch is a 4-port managed industrial PoE Gigabit switch. In addition, the switch is equipped with two RJ45 and two SFP data ports that allows for extra devices to be connected.

Power terminal is removable with numbered pins for easy wiring. ...

As an IT professional navigating the challenges of industrial networking, the 4-Port Managed Industrial Switch with 2 RJ-45 Ethernet Ports and 2 SFP Fiber Ports ...

Built to operate in harsh conditions, Comxus 4 port rugged industrial network switch ensures uninterrupted connectivity for critical devices such as IP cameras, wireless access points, VoIP ...

Discover the HS-6S3204 Industrial Ethernet Switch 4 Port, designed for reliable and cost-effective industrial networking. Features 4x RJ45 ports, 2x SFP ports, and robust industrial-grade performance.

The industrial Fiber Switch can easily expand your network in a number of ways ...

Built for space-constrained locations and machine integrations, these compact and secure switches offer full GE ports, flexible port configurations, high-wattage PoE options, and resiliency protocols.

4-port managed switch with dual SFP slots expands your Gigabit Ethernet network in harsh environments, including construction sites, warehouses and factories.

As an IT professional navigating the challenges of industrial networking, the 4-Port Managed Industrial Switch with 2 RJ-45 Ethernet Ports and 2 SFP Fiber Ports has proven to be a boon for our team. It ...
