

Industrial switch with four serial ports

4-port managed switch with dual SFP slots expands your Gigabit Ethernet network in harsh environments, including construction sites, warehouses and factories.

The NPort S8000 Series combines an industrial device server with a full ...

This PoE/PoE+ Ethernet Switch assesses each port for how much power is needed and provides either 4 Watts, 15.4 Watts (PoE) or 30 Watts (PoE+). The industrial fast Ethernet switch is enclosed in IP40 ...

As an IT professional navigating the challenges of industrial networking, the 4-Port ...

The FR-6S3204 Industrial Ethernet Switch 4 Port is a high-performance, cost-effective networking solution designed for industrial applications. This switch offers stable and reliable Ethernet ...

Power terminal is removable with numbered pins for easy wiring. Power consumption is optimised based on the status of the link device. No software required. Ideal for factory floor, in vehicle and marine ...

Come-Star offers a robust collection of 4-port industrial Ethernet switches, engineered for industrial applications that demand reliability and performance. Our hardened switches are built to withstand ...

IES618-4D series are layer 2 managed industrial Ethernet switches with 4 serial ports. This series include six types of products and provide 100M copper port, 100M fiber port, RS-232, RS-485 ports, ...

The industrial Fiber Switch can easily expand your network in a number of ways and be used in the field of security surveillance. Simply connect it to a WiFi device, such as a router or range extender, and ...

The NPort S8000 Series combines an industrial device server with a full-function managed Ethernet switch with 4 RS-232/422/485 serial ports, allowing you to easily install, manage, and maintain the ...

Four-Faith Industrial Switch using industrial-grade design (IP40), support up to twenty-four ethernet ports (10/100M), four Base-T ethernet ports (10/100/1000M), and four SFP slot.

As an IT professional navigating the challenges of industrial networking, the 4-Port Managed Industrial Switch with 2 RJ-45 Ethernet Ports and 2 SFP Fiber Ports has proven to be a boon for our team. It ...
