

Large Ring Optical Cable Junction Box

Protect high-fiber optic cable transitions with our wall mount fiber splice enclosure, streamlining large cable management and secure in-enclosure splicing for efficient network transitions.

The FIMP XL from Eks Fiber Optic System is designed for splicing and contains a splice tray, couplings, pigtails, and a cable gland. The front panel and the splice cassette are removable for splicing.

With the increasing digitization and requirement for high-speed networking, the Bartec Technor junction boxes for fiber optic signals performs dependably in the harshest of environments.

CommScope offers a complete line of easy-to-use access terminals, copper and fiber splice closures, patch closures and accessories to speed deployment.

Larger junction boxes, also known as " adaptable boxes ", are ideal for wiring, mounting, and protecting electrical components. Junction boxes are available in PVC, HFT, and metal to suit your next ...
