

Lebanon Micro Module 1U

A big-sounding microphone module in a small 1U package. Turn your voice, instruments, environmental sounds, or even wild feedback experiments into audio for your Eurorack system.

While this module has little to do with the original Turing Machine (by Alan Turing), it is a shift register based sequencer. You cannot program this sequencer, instead it builds random sequences that can ...

Whether you're adding room ambience, triggering gates with your voice, or diving into experimental sonic territory, the Intellijel MEMS 1U is ready to take your Eurorack system into uncharted realms of ...

Electronic components, Arduino & Raspberry Pi, shields & modules, sensors, motors, batteries, displays, chassis, PCBs and accessories in Lebanon. Same day delivery.

This is a 1U (Intellijel format) version of the Pique module which is based on the popular Peaks module from Mutable Instruments. It can be an ADSR-style envelope generator, an LFO and a drum emulator.

The MIDI 1U system provides all the essentials to control and sync your Eurorack modular from your computer, mobile, or hardware MIDI device with a minimum of fuss.
