

MGXTS Optical Cable

Dongguan Yiyuan Optical Cable Co., Ltd. is a high-tech enterprise mainly engaged in the research, development, production and sales of optical fiber and cable series products.

Low Loss Communication Fiber Optic Cable MGXTS Weatherproof Mining Grade with Custom Core Options

MGXTSV type optical cable is a mining communication optical cable with metal reinforced components, central tube filled type, wrapped steel wire armor, steel-polyethylene bonded inner sheath, and flame ...

Tubes (and fillers) are stranded around the strength member into a compact and circular cable core. The PSP is longitudinally applied over the cable core, which is filled with the filling compound to protect it ...

Duct Yes PBT Or Jelly 7mm 8mm Free G652D Water Blocking Tape Or Filling Compound 1.0*2 Blue Or Customized MGXTSV Outdoor Fiber Optic Cable, Flame Retardant Outdoor Fiber Optic Cable

The PSP is longitudinally applied over the cable core, which is filled with the filling compound to protect it from water ingress. The cable is completed with a flame-retardant sheath.

MGXTW cable complies with Standard MT386-1995 test method and decision rule of the flame retardant of the cable used in coal mine. Description: MGXTW is suitable for coal, gold, iron ore and other ...

MGXTSV type optical cable is a mining communication optical cable with metal reinforced components, central tube filled type, wrapped steel wire armor, steel ...

In 2004, GL FIBER established the factory to produce optical cable products, mainly producing drop cable, outdoor optical cable, etc.

The optical fibers in the MGXTS - 6B cable also have high - quality optical transmission performance. The cable structure provides sufficient protection to the optical fibers to ensure their normal operation ...
