

Micro-module ranking and pool level

Get TFT unit stats by server, rank, patch and game type.

I got through T15 W300 using this module, the damage reduction effect caused bosses to actually do less damage to me each hit instead of more for the first 200 or so waves.

It's definitely feeling like Modules are going to depend on what Tier you're farming and what the tournament debuffs are. The UW+ list I imagine is quite static, guessing GT/CF are top picks for #1/2, ...

is there a guide anywhere that ranks the modules for both farming runs and tournaments? I am just now starting to get some of the unique modules and...

The higher your module's level, the more sub-modules it can have Merging / rank: The higher a module's rank is, the better its ability will be, the higher its max level is, and the better sub-modules ...

To answer your question about maxing out modules: once a module reaches its max rank of ancestral five-star, it unfortunately does not get removed from the pull pool.

Teamfight Tactics (TFT) - TFT Set 16 Guide: Piltover. Tips, tricks, and strategies to level up your gameplay.

Discover the best Piltover Modules ranking, maintained by Pro Player Sologesang. Piltover Modules are special items that can be obtained through the Piltover trait and trigger 8 seconds into combat. Each ...

Ranking of module unique effects? Had anyone done any sort of detailed analysis about which unique effects are best and raised them for each module type?

Today I rank the modules again after almost a year. There has definitely been a lot of changes in that time, including the addition of 4 new modules. I hope you enjoy!...more
