

RoHS-compliant hollow fiber OM3

Optimized for 10Gb speeds, this 1000ft OM3 fiber delivers fast, reliable data transfer for high-bandwidth commercial and industrial networks. Built with dual 50/125µm fibers, Aramid yarn, and a tough aqua ...

Built on Corning's reliability and award-winning quality, ClearCurve OM2, OM3, and OM4 fibers are designed to withstand tight bends and challenging cabling routes with substantially less signal loss ...

rugged polyethylene outer jacket. Premium bend-insensitive fibers are used in all Hubbell HFCH Series OM3, OM4 and OS2 loose tube cables for optimum cable bend loss performance. HFCH Series ...

Product Overview Single-Unit is RoHS 2 and REACH compliant and all multimode and singlemode cables (except OM1) utilize bend-insensitive optical fibers. Each fiber is color coded for easy ...

Mouser offers inventory, pricing, & datasheets for OM3 Fiber Optic Cables.

This 12 fiber indoor armored cable is OM3, Plenum (OFNP) rated and features 900um buffered fibers. When you order products from Anixter, the order is processed within one to two business days. ...

The cable is suitable for indoor applications on trays and outdoors in ducts and features e-glass strength members and a UV stabilized LS0H Euroclass Eca sheath. The fiber is laser-optimized, bend ...

Buy MPFF12OM3-10 - L-COM - 12 FIBER OM3 MPF-MPF OFNR AQU 10M ROHS COMPLIANT: YES. Newark Electronics offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & ...

Supported by the Hubbell Mission Critical®; 25-Year Warranty Compact, Flexible Construction for Ease of Installation 10 GbE Application Assurance for all Standards-Supported Lengths RoHS Compliant, ...

Premises Multi-unit Distribution Optical Fiber Cables are constructed using 6 or 12-fiber subunits stranded around a central strength member in a RoHS-compliant design for fiber counts from 18 ...
